OUR PAST PERFORMANCE

Featured Work

National Weather Service (NWS) Pacific Region (PR) Linux System Support Services - Prime
U.S. DOC, NOAA
Provide comprehensive Linux systems support for Weather Forecast Office (WFO) Honolulu and PR Headquarters, including planning, system integration, administration, operation, maintenance, and security administration.

Pacific Land Mobile Radio Hawaii (PLMR-HI) Pohakuloa Training Area (PTA) Microwave Antenna Install - Prime
U.S. DA
Install two four-feet microwave antenna–one at PTA (Hawai'i Island) and one at MLM–each configured to integrate into the existing radio communication infrastructure.

Non-classified Internet Protocol Router (NIPR) Network Drop Install - Prime
U.S. DA
Provide turn-key solution for installation, termination, and testing of 60 NIPR drops at Schofield Barracks and Fort Shafter, following NEC Standardized Labeling and TIA-568 and TIA-606 standards.

Hawaii Field Office Fiber Optics Cable Install - Prime
U.S. DON, NCIS
Install fiber optic cabling infrastructure at JBPHH to enable SIPRNET access for Technical Surveillance Countermeasure (TSCM) operations, providing secure communication for up to six NCIS personnel while maintaining unclassified communication for the evidence side of the facility.

Continuous Monitoring & Risk Scoring (CMRS) - Sub
U.S. DoD, DISA
Stand up Azure in DISA-owned Microsoft Azure government DoD tenant, provide support to users and tech staff, and provide support for DevSecOps efforts.

Assured Compliance Assess. Solution (ACAS) - Sub
U.S. DoD, DISA
Enhance vulnerability scanning of 11 million devices on DoD Information Network and provide risk analysis, assessments, and reports using Tenable.

HOLO Card Service Manager - Prime
City & County of Honolulu (CCH), DTS
Manage multi-modal transit fare system, from robotic process automation to call center, field service & marketing.

Transportation Demand Management (TDM) Program - Prime
CCH, DTS
Manage City's TDM program, from implementing TDM software to executing marketing and advertising.

Healthy by Default Certification Website - Prime
State of Hawai'i, DOH
Develop a WordPress site with an online application submission, review/approval process, and custom plugin.

Foxhole Technology
Provide DevSecOps expertise (C#, ReactJS, SQL, Bash, AWS CodePipeline, SonarQube, Docker, AWS ECR, AWS EKS - Kubernetes) and architectural and cloud engineering services.
